The Bill seeks to provide for the various taxes, fees, levies and other services charges that are payable to the Elgeyo/Marakwet County Government.

These set out in the schedules to the bill.

The first schedule is in respect of the department of the departmental fees and charges whereas the second schedule is in respect of single Business permits with applications fee. The said schedules also sets out the rates in Kenya shillings (Kshs) currently payable to the County Government so that it is possible to assess the changes that take into account the need to enhance the payable revenue for better service delivery and to enable the County Government perform the increased functions bestowed on it by the fourth schedule of the Constitution of Kenya.
