MEMORANDUM OF OBJECTS AND REASONS

This prepared pursuant to the Interim Standing Order of the Assembly in particular, Order No. 218 which requires the County Finance Bill to be presented to the Assembly as a legislative proposal.

The Bill seeks to provide for the various taxes, fees and other service charges that are payable to the Kericho County Government. These are set out in the schedule. The said schedule also sets out the rates in Kenya shillings (KSh.) currently payable to the County Government so that it is possible to assess the changes that take into account the need to enhance the revenue payable to the County Government for enhanced service delivery and to enable the County Government perform the increased functions bestowed on it by the Fourth Schedule of the Constitution.

Statement on delegated powers to legislate.

The Executive Committee member responsible for Finance is empowered to bring into operation the various provisions of the Act or certain sections of the Schedule. This is to enable the putting in place of the necessary physical, administrative and personnel infrastructure, which would aid in the operationalization and the collection of the proposed taxes, fees and charges. The operationalization of certain provisions of the proposed law shall entail an expenditure of public funds.

The enactment of this Bill shall occasion additional expenditure of public funds that will be provided in the Budget estimate.

Dated: 30th September, 2013

JOSEAH KIRUI,
Chairperson,
Budget and Appropriation Committee.
