MEMORANDUM OF OBJECTS AND REASONS

The objective of this Bill is to provide a legislative framework through which nominees for appointment to public offices, for which County Assembly approval is required under the Constitution or any other law, are vetted and approved for appointment by the County Assembly.

Clause 5 requires that no appointment to a public office for which County Assembly approval is required shall be made unless the person nominated for appointment to the office is approved by the County Assembly in accordance with the provisions set out in the Bill. The appointing authority is required to notify the County Assembly in writing, through the Clerk, about a proposed appointment, and is required to provide sufficient information regarding the nominee to enable the Assembly conduct an approval hearing.

Clause 8 provides for the approval hearing. Among other things, it obligates the Clerk to notify a candidate of the time and place of holding an approval hearing. Similar notification is to be given to the public generally by the relevant Committee of the County Assembly.

Clause 8 also provides that members of public may contest the suitability of a person to be appointed to the office for which the person has been nominated by furnishing the Clerk with the requisite written evidence on oath. It also provides that a candidate for whom an approval hearing is to be conducted may opt out of the approval process, and the candidate's nomination to the office concerned shall lapse accordingly. Clause 9 sets out the issues to be considered during hearing.

Clause 10 requires the relevant committee of the County Assembly to hold an approval hearing and submit its report, together with its recommendations, to the County Assembly within fourteen days from the date of notification of nomination. If there is failure by the committee to hold an approval hearing as required, the candidate nominated for appointment shall be deemed to have been approved, as provided for in clause 11. Clause 13 obligates the Clerk of the County Assembly to notify the appointing authority of the decision of the House.

If a candidate for appointment is rejected by the committee, the appointing authority may submit another name to the committee with respect to the same position for fresh consideration.

Clause 14 vests a committee of the County Assembly with similar powers as those of the High Court for calling witnesses to appear before it to give evidence or provide information as may be necessary. The Schedule outlines the criteria to be used in vetting candidates during approval hearings.

The enactment of this Bill shall not occasion additional expenditure of public funds.
