MEMORANDUM OF OBJECTS AND REASONS

This Bill is prepared pursuant to the standing Order of the Assembly, which requires the County Finance Bill to be presented to the Assembly as a legislative proposal.

The object of the bill is to impose or vary the various taxes, licenses, fees and other service charges that are payable to the Kisumu County Government. These are set out in the Schedule. The said Schedule sets out the rates in Kenya shillings (KSh.) The proposed streams of revenue collection are intended to enhance the revenue payable to the County Government so as to ensure better service delivery and also to enable the County Government to perform the increased functions bestowed on it by the Fourth Schedule of the Constitution.

Statement on Delegated Powers to Legislate

The Executive Committee Member responsible for Finance is empowered to bring into operation the various provisions of the Act or certain sections of the Schedule. This is to enable the putting in place of the necessary physical, administrative and personnel infrastructure that would aid in the operationalisation the collection of the proposed taxes, fees and charges.

The enactment of this Bill shall occasion additional expenditure of public funds that will be provided in the budget estimate.

Dated the 13th June, 2017.
