PENALTIES

[illegible]

MEMORANDUM OF OBJECTS AND REASONS

This Bill has been submitted by the Executive Committee Member for Finance and Economic Planning in line with budget proposals for 2015/2016 financial year. The object of the Bill is to impose or vary various fees, cess and other charges for various services provided by the County.

Part I provides for preliminary provisions.

Part II provides for power to charge license fees, rent and cess. The Part further provides powers to the Executive Committee Member responsible for finance to amend any of the Schedules through an order published in the *Gazette*.

Part III provides for payment to the County to be made through an authorised channel. It requires receipt to be issued for all payments made to the County and provides for an offence for a person who contravenes the provisions of this part.

Part IV provides for a general penalty for failure to comply with any provisions of the Act. It also provides for offences by the staff of the County including the penalty for the offences. This provides recourse if a person is aggrieved by non-performance of the County officers.

Part V provides for savings of any of the fees, charges, permit, rent or cess that is currently being charged by the County until such fees, charges, permit, rent or cess is repealed or a law is enacted to provide for it. It also provides for savings of directions, resolutions or authorisation that were issued by the County in the 2014 Finance Bill, relating to financial management to ensure the financial base of the County is not affected by the enactment of this law.

The enactment of this Bill shall occasion additional expenditure of public funds that will be provided in the budget estimate.

Dated this 1st day of September 2015.
