MEMORANDUM OF OBJECTS AND REASONS

This Bill is prepared pursuant to section 133 of the Public Finance Management Act, 2012 and Standing Order 218 of the County Assembly Standing Orders, which requires the County Finance Bill to be presented to the Assembly as a legislative proposal.

The Bill seeks to provide for the various taxes, fees and other service charges that are payable to the Makueni County Government. These are set out in the Schedule. This is to enhance the revenue payable to the County Government for enhanced service delivery and to enable the County Government perform the increased functions bestowed on it by the Fourth Schedule of the Constitution.

Statement On Delegated Powers To Legislate

The Executive Committee Member responsible for Finance is empowered to bring into operation the various provisions of the Act or certain sections of the Schedule. This is to enable the putting in place of the necessary physical, administrative and personnel infrastructure that would aid in the operationalization of the collection of the proposed taxes, fees and charges.

The operationalization of certain provisions of the proposed law shall entail an expenditure of public funds. The funds will be provided for in the estimates.
