MEMORANDUM OF OBJECTS AND REASONS

The object of the Bill is to impose or vary various fees, infrastructure maintenance fee and other charges for various services provided by the County

Part I provides for preliminary provisions

Part II provides for power to charge trade license fees, rent and infrastructure maintenance fee. The Part further provides powers to the County Executive Committee Member responsible for finance to exempt the above payments provided that the exemptions are in accordance to criteria prescribed in regulations. The last section of that part gives the County Executive Committee Member power to amend any of the Schedules through an order published in a *Gazette*.

Part III provides for payment to the County to be made through an authorized channel. It requires receipt to be issued for all payments made to the County and provides for an offence for those who contravene the provisions of this part. It also provides for appointment of agencies for the assistance in revenue collection and recovery of payments to the County.

Part IV provides for a general penalty for failure to comply with any provision of the Act. It also provides for offences by the staff of the County including the penalty for the offences. This Part provides recourse if a person is aggrieved by non-performance of the County officers.

Part V provides for savings for the revenue/charges that is currently being collected/charged by the County until the laws on such fees, charges, permit or rent are expressly repealed or a law is enacted to provide for them. It also provides for savings of directions, resolutions or authorization that were issued by the former Municipal Councils, Town Councils and County Councils before the County Government came into being. These directions, resolutions or authorizations relate to financial management to ensure the financial base of the County is not affected by the enactment of this law.

The enactment of this Bill shall occasion additional expenditure of public funds that have been provided for in the budget estimate.
