SCHEDULES

FIRST SCHEDULE

SECOND SCHEDULE

THE TURKANA COUNTY COMMUNITY HEALTH SERVICES ACT, 2018

AN ACT of the County Assembly of Turkana to provide for the establishment and delineation of Community Health Units within the County for the effective, efficient and sustainable delivery of community-based health services and to establish the necessary institutional and regulatory mechanisms to ensure functionality of community units in empowering households in health service delivery and for connected purposes

ENACTED by the County Assembly of Turkana as follows—

PART I— PRELIMINARY PROVISIONS

1. This Act may be cited as the Turkana County Community Health Services Act, 2018 and shall come into force upon publication in the *Gazette* or such other date as the County Executive Committee Member may determine by a Gazette Notice. Short title and Commencement

2. In this Act, unless the context otherwise requires — Interpretation

“County” means the Turkana County;

“County Community Health Services Committee” means a County Committee established under section 13 of this Act;

“community health committee” means a community health committee established under section 16 of this Act;

“community health extension worker” means a community health extension worker appointed as such under this Act and does not include a health facility extension health worker;

“community health plan” means a plan for community-based health services prepared by the community health unit committee for the improvement of the health care of the community units or households;

“community health services” means the package of basic health care services provided to people in their communities and households and includes—

- (a) health education;
- (b) health promotion;

No. 5 *Turkana County Community Health Services*

- (c) disease prevention and control;
- (d) mental health and psychosocial support services;
- (e) public health services;
- (f) emergency health and referral or linkage services;
- (g) sensitization on addictions;
- (h) home care;
- (i) long term care;
- (j) rehabilitation services;
- (k) palliative care and minor treatment for illness; and
- (l) injury in relation to primary care;

“Community Health Unit” means an area within the County health structures comprising of a cluster of villages which make up a sub-location as defined under the National Government Coordination Act or as may from time to time be designated by the County Executive committee Member;

“Community Health Volunteer” means a person selected by the community based on set criteria defined by this Act and has undertaken relevant training as defined in the community health services Policy; to offer health services at the community level;

“Executive Committee Member” means the County Executive Committee Member for the time being responsible for matters relating to health and sanitation;

“health facility management committee” means the existing committees managing link facilities;

“*Gazette*” means the Kenya Gazette;

“management committee” means a management committee established pursuant to this Act;

“Sub-County Community Health Services Committee” means the committees as already established at the sub-county level to oversee delivery of community health services;

“village” means a people with same socio-economic characteristics living together and/or moving together within Turkana County and shall be in clusters of households to be determined from time to time.

“Household” means a group of people living together in one house and cooking from the same pot;

“Health Technologies” means applications of organized knowledge and skills in the form of devices, medicines, vaccines, procedures and systems developed to solve health problems and improve qualities of lives;

3. The application of this Act shall be guided by the following principles—

Guiding Principles

- (a) equity in distribution of health services and interventions;
- (b) people-centered approach to health and health interventions;
- (c) participatory approach to delivery of interventions;
- (d) multi-sectoral approach to realizing health goals;
- (e) efficiency in application of health technologies;
- (f) social accountability.

4. The objects and purpose of this Act is to—

Objects and Purpose

- (a) give effect to the provisions of Article 176 of the Constitution and Section 48 of the County Governments Act.
- (b) provide for the establishment of community health services units within the County for the effective, efficient and sustainable delivery of community health services;
- (c) create the necessary institutional and coordination frameworks to encourage and facilitate the provision of community health care services;
- (d) protect the health and safety of community health volunteers;
- (e) provide for rights, duties and responsibilities of relevant actors within the community health sub-sector;
- (f) gather evidence or information on community health to inform decision-making;
- (g) establish a county community health services fund for the purposes of financing activities and projects implemented pursuant to this Act;

No. 5

Turkana County Community Health Services

- (h) ring-fence funds for primary health care activities for use at community health unit levels;
- (i) coordinate and streamline financial contributions from partners and well-wishers for community health services into the Fund account;
- (j) to provide for the management of the Community Health Services Fund; and
- (k) develop capacity of community health volunteers and community health extension workers.

PART II— DUTIES AND RESPONSIBILITIES

5. The county government shall provide health care facilities and services to every person who is a resident of the County, and shall—

Duties and
Responsibilities of
County Government

- (a) ensure that the County residents' right to basic health as provided for under Article 43 of the Constitution are progressively realized;
- (b) establish policies and mechanisms to ensure that residents of the county households are educated and informed on matters of healthy living and practices;
- (c) ensure that every household has access to a community health extension worker and a community health volunteer;
- (d) provide advisory services and guidance, through community health extension and volunteer health services, to persons in need of healthcare information.

6. Every person within a household or a community health unit is responsible for ensuring that the most appropriate health practices are effected and shall—

Duties and
Responsibilities of
individuals

- (a) participate in community-organized health activities;
- (b) attend and participate in meetings that are aimed at educating the people on best health practices and for disseminating information or feedback to the people;
- (c) make efforts to implement behavioral changes that are aimed at improving individual, households and community health;

- (d) collaborate and cooperate with community health volunteers in promoting health within the community and eliminating health risks through strategies set and implemented by the County Community Health Services Committee;
- (e) when required, provide relevant data and information that would enable the community health volunteers to collect data and information for the purpose of informing policy decisions at different levels of governance.

PART III—ESTABLISHMENT OF COMMUNITY HEALTH UNITS

7. (1) There is established in the Turkana County, Community Health Units for ease of delivery of Community Health Services.

Establishment and
Registration of
Community Health
Units

(2) The County Assembly shall use existing villages, total population, number of households and area in square kilometres as provided for in the Turkana County Community Health Strategy Projections in the First Schedule as a basis for the determination of the initial number of community health units per Sub County as well as the number of community health volunteers per community health unit.

(3) There shall be an initial registered 167 Community Health Units as set out in the Second Schedule.

(4) For the purposes of this Act, a community unit shall comprise not more than twenty villages and a village shall not comprise more than one hundred households.

(5) Each Community Health Unit shall be under the management of a Community Extension Worker and there shall be such number of Community Health Volunteers in each Community Health Unit as may from time to time be prescribed by the County Community Health Services Committee.

(6) The County Executive Committee Member shall establish mechanisms to provide for the health services needs of mobile and under privileged populations.

(7) The County Executive Committee Member may

No. 5

Turkana County Community Health Services

by regulations provide for the alteration of the boundaries of a Community Health Unit, if need arises, and for the registration of new Community Health Units.

8. Each Community Health Unit shall be linked to a health facility as provided for in the Second Schedule, provided that this may be amended by the County Executive Committee Member from time to time as need arises.

Link Facilities

- (h) Sub-County Medical Officer of Health;

(3) The County Executive Committee Member shall make regulations to govern the affairs of the Technical Committee.

15. The functions of the Technical team shall be as may be prescribed by the County Community Health Services Committee and shall include providing technical guidance for purposes of preparing the community health plan.

Functions of the
Technical
Committee

16. (1) There is established for every Community Health Unit a Community Committee.

Community Health
Unit Committees

(2) The Community Health Unit Committee shall comprise of—

- (a) the local community health extension worker, who shall be the secretary;
- (b) the village administrator appointed under the County Government Act, with jurisdiction over the relevant community health unit;
- (c) two persons, one from either gender, nominated by religious organizations;
- (d) two community health volunteers, one from either gender, elected by fellow volunteers;
- (e) one community member representing persons with disabilities, youth representatives and people living with HIV/AIDS;
- (f) facility in charge;

(3) The chairman of the committee shall be elected in the first meeting of the committee from among members indicated in paragraphs (c), (d), (e) or (f) of sub section 2.

17. A person is eligible to serve in the committee if the person—

Qualifications for
Appointment

- (a) has attained at least form four level education or its equivalent;

No. 5

Turkana County Community Health Services

- (b) has been resident in the village unit for a period of at least 5 years and has shown provable intention to reside in the unit throughout the period of service;
- (c) meets the requirements of Chapter Six of the Constitution of Kenya 2010 as read with the Leadership and Integrity Act; and
- (d) has not been convicted of an offence relating to integrity for at least five years immediately preceding the date when the person's eligibility is considered.

18. (1) Except for persons who are members of the community committee by virtue of their office, a member of a community committee shall serve for a term of three years and is eligible to serve for one further term of three years.

Term of Office

(2) The office of member of community health committee shall fall vacant when a member—

- (a) dies;
- (b) resigns from office in writing addressed to the chairperson;
- (c) is convicted of a criminal offence;
- (d) is removed from office on the recommendation of the Sub-County Community Health Committee;
- (e) is declared bankrupt by a court of competent jurisdiction; or ceases to have the qualifications specified under section 17.

(3) A vacancy in the office of community committee member shall be filled within a period of three months.

19. (1) The committee shall meet at least quarterly and at any other such time as the committee may deem necessary for the performance of its functions.

Meetings of the Committee

(2) A meeting of the community committee shall be properly constituted if attended by at least five members.

20. (1) The functions of the Community Health Unit Committee is to—

Functions of Community Committees

2018

Turkana County Community Health Services

- (a) identify community health priorities through regular dialogue with the community and stakeholders;
- (b) plan and participate in community health actions;
- (c) mobilize resources for health actions;
- (d) organize and implement community health days;
- (e) make periodic or other reports to the County Community Health Services Committee in such manner and on such matters as may be prescribed by regulations;
- (f) make project proposals to the County Community Health Services Committee;
- (g) implement community health projects and programmes;
- (h) manage funds allocated to the community health unit;
- (i) keep proper books of accounts with respect to the funds remitted to the community health unit from the Fund;
- (j) lead community health outreach and campaign initiatives;
- (k) promote practices and activities that enhance good health in the community; and
- (l) do such other things as may be prescribed or required by the Executive Committee Member.
- (m) actively participate in the selection of community health volunteers.

(2) In the performance of its functions, the Community Health Unit Community shall report to the link facility management committee.

21. The position of a community health unit committee member is not a remunerative position but the person so nominated and appointed shall receive such stipend as is sufficient to defray expenses reasonably incurred in the discharge of his functions under this Act, which stipend shall not be less than such sum as the County

Remuneration of
Community health
Unit Committee
Members

No. 5 *Turkana County Community Health Services*

Executive Committee Member may with the advice of the County Community Health Services Committee prescribe.

22. (1) A community health unit committee shall develop a community health plan for each financial year, and shall share it with the sub County health management committee.

Development of
Community Health
Plan

(2) The community health work plan shall include—

- (a) recommended priorities for the delivery of community health services;
- (b) a demonstration that the recommended priorities have been established through community consultation;
- (c) provisions identifying and making recommendations for elimination of duplicity in the delivery of community health services.

(3) For the purpose of assisting the community committees to make recommendations, Sub-County health management committees shall make available to the community committee such information as may assist the community committees in assessing the financial feasibility of implementing the recommendations.

(4) Sub-County health management teams shall ensure that community health plans are developed by the relevant community health unit committees and considered in the preparation of the health services plan.

(5) The Executive Committee Member shall ensure that Community Health Plans are developed by community health unit committees and considered in the preparation of the Health Services business plan.

**PART V—COMMUNITY HEALTH EXTENSION
WORKERS**

23. (1) The County Public Service Board will in consultation with the Chief Officer recruit a Community Health Extension Worker for each community health unit.

Appointment of
Community Health
Extension Workers

(2) The County Public Service Board shall, in consultation with the County Community Health Services Committee, determine the terms and conditions of community health extension workers.

(3) A community health extension worker shall be responsible for the coordination of community health services within the community health unit.

24. A person shall be appointed as a community health extension worker if the person—

Qualifications for
Appointment as a
Community Health
Extension Worker

- (a) is a Kenyan citizen and is ordinarily resident in the County;
- (b) is acceptable to and respected by the community where the person resides;
- (c) has good communication skills;
- (d) is able to work with people of diverse backgrounds;
- (e) is willing to teach and mentor others;
- (f) is a trained health personnel with certification in nursing, public health, community health, nutrition and any other health related professional training;
- (g) meets such other requirements as may be determined by the County Public Service Board.

25. The roles of a Community Health Extension Worker shall include—

Roles of
Community Health
Extension Workers

- (a) providing technical support to community health volunteers and the Technical Committee;
- (b) facilitating the provision of quality services by community health volunteers and ensuring smooth referral mechanisms linking the community to referral facilities;
- (c) overseeing the selection of community health volunteers;
- (d) organizing and facilitating community health volunteer training;
- (e) monitoring the management of community health volunteers' kits;
- (f) supporting community health volunteers in assigning tasks and coaching them to ensure achievement of desired outputs and outcomes;

- (g) compiling reports generated by community health workers and forwarding them to Level 2 and Level 3 facilities within the community health unit and availing them to Community Health Unit Committees;
- (h) promoting co-operative dialogue and planning with other Community Health Workers to take actions to improve identified issues;
- (i) following up and monitoring actions emerging from dialogue and planning sessions, to ensure their implementation.

PART VI— COMMUNITY HEALTH VOLUNTEERS

26. (1) There shall be nominated by members of the community a community health volunteer for every village in a public meeting convened by the community health extension worker with the assistance of the village administrator who has jurisdiction over the relevant area.

Nomination and
Appointment of
Community health
Volunteers

(2) All residents of the respective unit are entitled to the opportunity to attend and participate in the proceedings leading to such nomination and appointment.

(3) Upon nomination, the community health volunteer shall be appointed in writing by the secretary to the community health unit committee.

(4) The term of service of a community health volunteer will be as may be by regulations prescribed by the County Executive Committee Member.

27. A person qualifies to be recruited as a community health volunteer if the person—

Qualifications for
Appointment as a
Community Health
Volunteer

- (a) is a Kenyan citizen who is between eighteen and sixty years old;
- (b) has been a resident of relevant community health unit (village) for a period of not less than five years immediately preceding the date the person seeks to be recruited as a community health volunteer;
- (c) is generally accepted by the local community as an honest and upright citizen;

2018

Turkana County Community Health Services

- (d) is able to read and write, understands the language of the predominant community and is fluent in English or Kiswahili.
- (e) undertakes in writing to provide volunteer community health services in accordance with this Act, regulations and any guidelines provided;
- (f) agrees to undergo relevant training for the purpose of equipping the person with the relevant knowledge and skills necessary for undertaking volunteer community health work; and
- (g) has not been convicted in the immediate preceding five years, of an offence relating to integrity.

28. A community health volunteer shall—

Responsibilities of
Community Health
Volunteers

- (a) advise individuals or members of households within the community health unit on healthy living practices;
- (b) provide first aid with the support and guidance of a community health extension worker;
- (c) where appropriate, refer a case of sickness to the link facility where it appears there is need for medical attention;
- (d) participate in income-generating programmes that may be undertaken within a community health unit;
- (e) visit households, in a programmed and systematic manner, to provide guidance on individual or public health issues;
- (f) maintain a village health register and keep records of all community health-related events;
- (g) promote good reproductive health practices within households or the community;
- (h) keep relevant records and submit reports to the community health extension worker;
- (i) tracking of defaulter cases of tuberculosis, immunization, malnutrition and HIV/AIDS; and
- (j) perform any other role that may be assigned under any written law or by the community health

extension worker;

29. (1) A Community Health Volunteer shall serve under the general direction and guidance of the relevant Community Health Extension Worker.

Scope of
Community Health
Volunteer
Operations

(2) A Community Health Extension Worker shall assign to a Community Health Volunteer such number of households within the community health unit as shall be prescribed by regulations.

30. A community health volunteer may not—

Prohibited Acts

- (a) administer to a member of a community medication that is not authorized by legislation;
- (b) conduct deliveries for pregnant women;
- (c) negligently handle property entrusted to them for the purpose of delivering services to the community;
- (d) use tools, gadgets or properties under their custody for purposes other than delivery of volunteer health services;
- (e) solicit financial or other reward for personal gain whether or not in recognition of effort in delivering services to the community;
- (f) withdraw their services as volunteers without giving notice of intention to do so;
- (g) except in a case of emergency, enter a home or premises occupied by a person earlier than 8 o'clock in the morning or later than 6 o'clock in the afternoon;
- (h) falsify any records or data collected by him in the course of duty; or
- (i) engage in other activities that may conflict with the provision of community health services
- (j) disclose the clients health issues.

(2) Any community health volunteer who contravenes the provisions of this section shall be subject to disciplinary sanctions which may include termination by the community health services committee.

31. (1) Every community health volunteer is required, upon appointment, to undergo such training as may be

Training of
Community Health
Volunteers

2018

Turkana County Community Health Services

prescribed, for the purpose of enabling them to discharge their functions more effectively.

(2) The County Government shall in consultation with the National Government and other stakeholders prepare a curriculum for the purpose of training volunteer community health workers.

(3) The County Community Health Services Committee shall—

- (a) co-ordinate and facilitate the training of Community Health Volunteers;
- (b) engage partners with a view to securing partners' support in the facilitation of training of Community Health Volunteers.

(4) The County Executive Committee Member may prescribe additional requirements relating to training of volunteers community health workers.

32. The position of a Community Health Volunteers is not a remunerative position but the person so nominated and appointed shall be paid such stipend as is sufficient to defray expenses reasonably incurred in the discharge of his functions under this Act, and shall not be less than such sum as the County Executive Committee Member may with the advice of the County Community Health Services Committee prescribe.

Remuneration of
Community Health
Volunteers

33. (1) The services of a Community Health Volunteer may be terminated on any of the following grounds—

Removal from
Service

- (a) persistent failure to perform assignments that it is their responsibility to perform;
- (b) breach of terms of service or a code of conduct established under this Act;
- (c) inability to render services due to physical or mental incapacity.

(2) A Community Health Volunteer may resign from service by one month's written notice addressed to the secretary of the relevant community health committee.

**PART VII—ESTABLISHMENT OF THE TURKANA
COUNTY COMMUNITY HEALTH SERVICES
FUND**

34. (1) There is established the Turkana County Community Health Services Fund. Establishment of
the Fund

(2) There shall be paid into the Fund—

- (a) monies received by the Fund in the form of donations, endowments, grants and gifts;
- (b) amounts appropriated by Parliament or by the County Assembly for that purpose;
- (c) amounts payable to the County Community Health Services Committee out of the Devolution Fund; or
- (d) any other amounts paid to or received by the County Committee.

35. (1) The Fund shall vest in and be administered by the County Community Health Services Committee. Administration of
the Fund

(2) In administering the Fund, the Committee shall, with the approval of the Executive Committee Member—

- (a) set policies and strategies for the applications of the Fund;
- (b) define eligibility criteria for the Fund to finance county community health services;
- (c) set out procedures to ensure gender and intergenerational equity in access to monies from the Fund;
- (d) issue to community health committees other procedures and requirements for effective and transparent administration of the Fund; and
- (e) require community health committees to make periodic and other reports concerning the use of the funds allocated to them.

36. (1) At least three months before the commencement of each financial year, the Committee shall cause to be prepared estimates of the revenue and expenditure of the Fund for that financial year. Estimates of
Committee's
Income and
Expenditure

(2) The annual estimates shall make provisions for all

the estimated expenditure of the Fund for the financial year and in particular, the estimates shall provide for—

- (a) the amount set aside for new projects or programmes;
- (b) the amount expected to be raised through donor support and other sources.

(3) The annual estimates shall be submitted to the Executive Committee member within 14 days for approval and the Committee shall not alter the approved annual estimates without the consent of the Executive Committee member.

(4) No expenditure shall be incurred out of the Fund except in accordance with the annual estimates approved under subsection (3), or with prior written approval of the Executive Committee member.

37. (1) The Committee shall cause to be kept records of any disbursements out of the Fund.

Disbursement out
of the Fund

(2) Disbursements out of the Fund shall be for specific programmes or projects submitted by the respective community health committees by way of proposals or as may be prescribed.

(3) Disbursements shall be made through the community health committee bank account maintained for every community health unit.

(4) The record of the amounts received by each community health committee and the record of expenditure of amounts so received shall be submitted to the County Committee within thirty days after the close of the relevant financial year together with a copy of the relevant bank statements; and no disbursements for the succeeding financial year shall be made into the accounts until the said records are duly received.

38. (1) The Committee shall cause to be kept proper books of accounts of the income, expenditure, assets, liabilities and all other financial transactions of the committee.

Committees
Financial Records
and Reports

(3) The Committee shall submit quarterly reports to the Executive Committee member.

(4) Within 30 days after the end of each financial year, the Committee shall prepare financial statements and submit the financial statements to the County Auditor's Office for audit in accordance with the provisions of the Public Audit Act, 2003.

PART VIII—MISCELLANEOUS

39. The County Executive Committee Member may make regulations generally for the better carrying out of the objects of this Act

Regulations

40. The County Executive Committee Member shall prescribe and afford the Community Health Extension Workers and Community Health Volunteers proper means of identification.

Identification
Documents

41. (1) A person who immediately before the coming into force of this Act was a Community Health Volunteer shall continue to act as such until the expiry of the duration for which the person was engaged.

Savings and
Transitions

(2) A person who served as a Community Health Volunteer before the coming into force of this Act and whose contract or service expires under this Act may be re-appointed in accordance with the provisions of this Act.

FIRST SCHEDULE
