PART III— WIDENING OF TAX BASE

Produce Cess

Agricultural sector, which includes livestock and fisheries, is an important segment of the county economy but the trading of maize, bananas, fruits etc. remained largely unregulated resulting in non-collection of levies. In order to collect tax at the earliest point of time and also to improve reporting mechanism of transactions in this sector, it is proposed that tax at the rate of 2% of gross sales shall be remitted by the producer/seller.

This amendment will take effect from 1 st October, 2019

Royalties

Turkana County is endowed with a lot of minerals but the trading of certain minerals remained largely unregulated resulting in non-reporting in minerals trading transactions for taxation purposes.

In order to collect tax at the earliest point of time and to improve reporting mechanism of transaction in mining sector, it is proposed that tax at the rate of 2% shall be collected by the seller from the buyer of the following minerals:-

Outdoor Advertisement

Control of outdoor advertisement has been devolved as a function of the County government, under the existing provision in the planning Act 2009 the rate of advertisement charge is standardized in relation to advertisement device.

County park fees

Tourism sector is a potential segment of the county economy following the devolution of this function the county proposes to levy charges for its parks and heritage sites. For the assessment year 2018/18, the rate of charges have been specified in Part I of the Second schedule

PART IV— MEASURES TO PREVENT NON REMITTANCE OF COLLECTED REVENUE

In order to augment the existing measures and to ensure all revenue is remitted it is proposed thus—

- (i) making use of technology for collection and monitoring cash receipts; this includes the use of internet banking and connection of all work stations to integrated financial management information system for real time monitoring of cash flow in addition to the automation of cash receipts.
- (ii) putting measures in place to prevent loss of revenue including recording of all accountable documents within the information system.

No. 9

Turkana County Finance

2019

- (iii) to ensure timely approval of building plans and enhanced revenue collection, the submission of building plans be automated.
- (iv) digitalize all county property to allow prompt management of property liable to property tax.
- (v) automation of parking fee collection to enhance revenue collection and administration efficiency.
- (vi) regular monitoring of system generated bills to ensure increased processing rate.
- (vii) serialization of advertisement objects through system generated numerals.
- (viii) strengthening the existing revenue systems.
- (ix) recruiting of skilled manpower and continuous capacity building to enhance revenue collection.
- (x) continuous public awareness to popularize the finance act for maximum revenue collection.

PART V—TAX INCENTIVES AND RELIEFS

- (a) waiver of land rates penalties including reduction of property tax struck rate as contemplated by article 210 of the constitution
- (b) easing of the business license acquisition through consolidation of various charges

PART VI—RATIONALIZATION OF INTER- COUNTY TAXATION PROVISION

In respect to the power of the county to impose taxes and other revenue raising measure it is proposed that the mobility of goods from other counties be accompanied by movement permits to augment Article 209(5) of the 2010 constitution.

PART VII—GENERAL ANTI -EVASION RULE

In the background of multiple charges the rate of evasion is more pronounced hence administrative inefficiency and loss of revenue. It's accordingly proposed to provide general anti evasion rule in the finance Act to deal with loss of revenue.

The main features of such a regime are—

- (i) Consolidation of the multiple charges to businesses eligible for Single business permits by having a single regime and conservancy fee to cover other similar charges

- (ii) Movement of goods across counties will be subject to movement permits agreed among counties
- (iii) Automating collection point and processes for real time monitoring
- (iv) Imposition of fine penalties for mitigating tax evasion as set out in the first schedule.
- (v) Physical mapping of business premises within the county major centers and markets
- (vi) Standardization of agricultural produce package as set out in the fourth schedule
- (vii) 40% of Revenue raised from land materials mining from the extractive industry will be given back to the host community as corporate social responsibility. This will be directed to development projects identified by the host community facilitated by the County Government.
- (viii) All contractors with local or other contracts are required to pay 2% of the total contract value to cater for royalties that will be used in construction.
